100 CLUB

There are still a few places left in the Church 100 Club, where each month £50 will be given away in prizes to 3 lucky ticket holders. It costs £12 for a year's subscription and we won't start drawing until they are all sold, so if you haven't yet got a ticket please contact Charlotte Frost as soon as possible.

VILLAGE FETE

A big thank you from Father Roger and the PCC to everyone who worked so hard to organise the fete on June 19th: Nicky, Tina, Sarah, Ruth and Rebecca particularly (not forgetting their long-suffering families who all get co-opted too!), the Tuckeys for lending the gardens and Tracey for organising the dog show, Ian for his lovely sax playing, the fantastic cake makers, and the many helpers who contributed so much both before and on the day. And not least to all of you in the village who came to enjoy the afternoon - your continued support for these events is very much appreciated. The grand total raised for church funds was over £1,900, which is enormously rewarding

Relaunched Wiltshire Police Website

www.wiltshire.police.uk

One interesting new feature on the website is the improved "Crime Mapping" function, available via the force website home page. This gives you, the public, detailed information on how your local police are doing in the fight against crime. You can zoom in to Neighbourhood Policing Team area levels to find detailed information on certain crime rates in your immediate area.

You will notice that the Marlborough Rural West Neighbourhood Policing Team has achieved some very good crime reduction rates and we would like to continue this trend with the help of our communities and partner agencies. Please continue to report crimes and information / intelligence to us!

JEANNETTE THERRIEN

Glass and Ceramics Artist Master of kiln-formed and stained glass, makes her a leader in the area and a celebrated teacher. Jeannette uses the vibrant colour to express the drama of movement and emotion in life, the play of light and shade to the contrast of strength with fragility.

DENISE ROBERTS

Ceramicist

Denise's ceramics evoke a sense of the coast in recalling childhood experiences of foraging on the beach and exploring bleached textures and fishing paraphernalia. They are a celebration of the ever changing life therein and successfully capture the atmosphere, light and colours of summer.

KIM PETHYBRIDGE

Stone Sculptor

Dictated and inspired by the very nature of her chosen material, Kim carves intuitively never quite knowing what will emerge from within the stone. She particularly loves to carve pieces that will capture the play of light, bringing them to life, as it moves across the surface of the sculpture.
