The Dragon June 2011

FREE Family Fun and Food

You and your family are invited to Ogbourne St George and St Andrew School hall from 3.30 to 5.30pm on Sunday the 19th June. Join your children making edible stones and musical instruments, and watch as the walls come tumbling down as we explore the story of Joshua. All followed by hot, glorious food and all completely free. If you would like to come along please let Lesley (841185) or Charlie (841140) know so we have an idea of numbers for food. Also if anyone (especially those without children) would like to volunteer to help we would love to hear from you.

Messy Church was a great success last month. We had over 60 people in the school hall, having lots of fun as we discovered more about Moses. The meal at the end of the afternoon was delicious and many positive comments have come back as people look forward to this month. The theme is Joshua; you know the one where the wall came tumbling down! See you there or be square! Sunday 19 June, school hall @ 3.30pm. Fr Roger'

Thanks to the "Dirty Dozen", the brave and selfless volunteers who turned up at the school recently for the "Litter Pickers Working Party".
The litter "hotspots" found were around the bus stops on the Marlborough road, Liddiards Green and the slip road from the golf course
We collected the equivalent of four full black dustbin liners and had a good time improving the appearance of the village. We'll do it again as demand arises, or we get more litter bins, whichever comes first.

Parish Plan Update

Time is getting on and you are probably beginning to wonder what is happening about the Parish Plan! Rest assured - work is continuing with your help to produce a Plan that will formulate your opinions on how the village is now and what changes, if any, you would like to see in the future.

This is where we are.

Firstly we have secured grant funding to enable us to produce the plan. Secondly we have held focus groups with villagers to discuss Leisure, Society, Environment and Safety.

The focus groups turned out to be lively, animated affairs with strong opinions and positive views that gave us plenty of information to use in the next stage of the process - compiling the questionnaire; your enthusiasm is refreshing.

We had originally intended to carry out the survey before the summer holidays but in order to get the questions absolutely right we need to take our time and also get professional help on the analysis of responses. So we have decided that it would be best for all if we plan to issue the questionnaires early in September when everyone is refreshed and ready to participate fully in the Parish Plan.

We will keep you informed of progress and give you plenty of warning when we have a date for the questionnaires to be delivered.

Thank you all for your support so far, we have a very broad range of issues to consider but are moving along well.
