CHURCH FUND RAISING

The two cake stalls at Barbury which Nicky Irwin organised in July and August, one at the Three Day Event and the second at the Endurance Ride, raised very nearly £1,000. The slogan is 'Ridgeway Home Baking – Comfort Food' and proceeds are shared between the three parishes pro rata (those who supply most cakes and/or help get most etc). Having had a stall for the first time at the Endurance Ride last year people were watching out for us this year knowing there would be delicious goodies on sale. Ogbourne St George came out on top, so a very big thank you to everyone who yet again made cakes – following on from the fete and the fete teas you have put up with a lot of demands on your time and generosity, but it really is very much appreciated and as you can see very worthwhile. It's amazing what some butter, sugar, flour and eggs can be turned into!

Between May and mid-August the plant stall looked after by Carol Manos and Heather Fisher at the gate by The Old Forge has made an astonishing £307. Things keep arriving mysteriously and there always seems to be something new, so keep an eye on it! And thank you to all involved.

HARVEST SUPPER

The combined (no pun intended!) Harvest Supper for both the Ogbournes will be on Friday, October 1st at 7.30pm in St George's Church as usual. Following comments received over the last couple of years, we have decided this year to make a lower age limit of 8 years and to ask families to sit with their children. Also all children must have a ticket. The cost for the 2-course supper is unchanged at £7 (adults) and £3 (8-12s), and tickets are available from Sarah Smith (841233) and Charlotte Frost (841361) – limited in number and IN ADVANCE ONLY, so book now

OGBOURNE LITTLE FISHES

The Ogbourne Little Fishes welcome old and new members to join them for the new term. We meet in St George's Church from 1.45-3.00pm on alternate Tuesdays, starting on September 7, to have fun and to learn more about God through story, song, prayer and activity. Pre-school children and babies with parents and carers are all very welcome. Details from Richenda George (841278) or just come along!

HELP FOR HEROS YOGA

A big thank you to everyone who came to Help for Heroes Yoga in the garden at Poppins in June and July. We were so lucky with the weather and the sun shone on us all morning. Also special thanks to those who donated so generously even if they didn't want to do any Yoga! A magnificent £345 was raised for this great cause. We will do it all again next year - so Yoga mats at the ready!
