CHURCH SOCIAL & FUNDRAISING EVENTS

Harvest Supper

Harvest Supper will be on Friday September 30—more details nearer the time but please mark the date in your diary.

A very big 'thank you' to all who have supported the 100 club in 2010/2011. The Club exists as a fund raising venture for the church and is open to all for an annual subscription of £12. Membership is limited to 100 and there are three cash prizes of £25, £15 & £10 each month—the chances of winning over the year are therefore slightly better than 1 in 3. Through the club we are able to raise £600 for the Church and of course distribute £600 back to the 36 lucky winners. The September draw will be the last in this subscription year and we are now inviting applications for the year starting in October. If you would like to renew your subscription, or join as a new member, please contact any of the PCC members listed below. Early application mean that you can probably choose your lucky number. £12 per ticket, cash or cheque payable to Ogbourne St George PCC please. Thank you again for your invaluable support.

100 mile walk—coming soon in Ogbourne St George

Before you fall over—with one mile between the Inn with the Well and Bythan Farm if we can get 100 people to walk from the Inn with the Well to Bythan Farm - we will have achieved 100 miles. With a barbeque at the end we hope that this will be an event that attracts everyone in the village. We hope to hold this towards the end of September.

Ogbourne St George Fete

A huge thank you to all those who helped to make this a fantastic day— both helpers and visitors. Also of course to Mr and Mrs Andrew Tucky for permitting the use of their gardens once again. As reported in the Gazette and Herald (page 25—Marlborough edition) the magnificent weather helped to attract over 340 visitors to the Gardens of the Manor House, where a wide selection of traditional stalls, summer lunches and a dog show raised just over £2,400 (once all the receipts were counted). We have received a number of very useful comments and will take those on board for next year. If you could help us to make next years fete bigger and better please contact Nicky Irwin (07973210048)

Enjoy Sunday Treats on the Green

Late Sunday morning is the perfect time to enjoy autumnal treats on the green at Aldbourne. On Sunday 9th October between 11am and 2pm, the green will be transformed as over 25 local food and craft producers set up their stalls. So for that special home baked cake and bread, local honey, ham, and pickles, or maybe locally pressed juices this is the place to come. The aroma of cooking wafts over the green too, so plan on relaxing with a burger or bacon butty all cooked while you wait and made using meat from local farmer with a pride in what they produce.

If food is not your thing, browse and talk with local craftsmen and pick up hand made greeting cards, jewellery or a unique cushion to set off your home décor. There are people with skills to learn from to. If you want to know how your home can be more energy efficient, or are maybe considering whether to install solar panels there is help at hand.

Aldboune ` store and pubs are open too and after your retail therapy there are lovely walks from the village where you can burn off those extra calories.

Ridgway Success at Barbury International Horse Trails

We raised £1170 selling cakes!

Without both the volunteers who manned the stall, and all those who picked up a wooden spoon to make cakes and snacks to sell, we could not have managed this. Special thanks go to the emergency bakers who provided a second batch of cakes on Friday/Saturday, and to the mothers union for sending their cakes to us on Saturday afternoon. The proceeds will be split between the churches on a pro-rata basis, reflecting the volume of home baking and the number of hours spent on the stall.

Gilbert and Sullivan in the Garden

Around 70 people gathered with their picnics to enjoy White Horse Opera's wonderful rendition of the Pirates of Penzance.. As the heat of the day escaped with the light, the warmth of the rendition helped the audience forger the slight chill that had kept into the air. Our thanks to White Horse Opera and all their support team for making this a magnificent evening.
