From The Register

13th January. The funeral of Pat Leonard RIP

Golf Genius at 7

Villagers Jenny & John Titcombe have a very talented grandson:

‘Seven year old Freddie Titcombe is being touted as being the next David Howell. And, according to Swindon’s two time Ryder Cup star, Titcombe is already showing signs he could step into his shoes one day. "I’ve seen him hit some balls on the range with his coach Chas and he has a great swing and a great attitude to the game already" said Howell.’
