The Dragon May 2015

Over 60 artists based in Wiltshire present the **Open Studios Preview Show 2015** prior to opening their doors to everyone in July. **Mount House Gallery, Bath Road, Marlborough, SN8 1PA, 2 – 8 May, 2015, 10am – 5pm**

The preview showcase is the perfect way to see all of the Open Studio artists in one place in the heart of Marlborough near to the High Street. This curated exhibition will include artwork from all disciplines and will be an opportunity to purchase the works at affordable prices. All work is selected for quality, craftsmanship and, above all, beauty.

This year is the 20th anniversary of OPEN STUDIOS when professional artists welcome everyone to their studios, workshops or galleries free of charge over four weekends in July and it is the second year we have created this spectacular where the space becomes a jewel-like treasure trove of work from national and international artists.

The website www.marlboroughopenstudios.co.uk is packed with information on all the artists and their locations together with suggested trails to follow that include great places to eat and interesting sights to see on the way.
