

## **Taekwon-do in Ogbourne St.George**

The annual Village Fete was host to a special event, a demonstration of Taekwon-do from the Francis School of Taekwon-do. After the formal demonstration of patterns and techniques, local children joined in an informal fun session, and the opportunity to learn some basic skills from Taekwon-do students who have achieved success at national and international level.

Taekwon-do is a defensive martial art, enjoyed by people from 7 to 70+, having fun and keeping fit. The school is based in Marlborough, but will soon be starting a class here in Ogbourne St.George, to be held at the School Hall.

**Until September:  
Training on Tuesdays is held at St Johns High School,  
Marlborough from 7 - 8 pm.**

**From September:  
Training on Monday in Ogbourne St.George School  
Hall from 7 - 8 pm.**

**Training is also held on Fridays at Marlborough  
Leisure Centre, Marlborough from 7 - 8 pm.**

The first two lessons are free, so people can try the sport with no initial commitment or obligation. Please contact Mr John Francis on 01793 850 410, or 07799 566 805 Alternatively email [jfranci1@hotmail.com](mailto:jfranci1@hotmail.com) for more information.

## **Marlborough Medical Practice Patient Participation Group**

The practice has been through a number of staffing changes over the last few months.

Dr Abi Griffith is now on maternity leave, looking after her healthy new baby girl. We hope you will join us in sending her congratulations and wish her well for the duration of her maternity leave, and we look forward to welcoming her back in 2016.

In the meantime, Dr Helen Dace has joined the Practice as a Maternity Locum GP, and will be looking after Dr Griffiths' patients. Dr Dace will be working on Mondays, Tuesdays and Thursdays at the Practice.

In addition, Dr Anke Lehmkuhl has joined the practice as an Associate GP and has taken over the care of all those patients who were registered with Dr Thirza Deboo. Dr Lehmkuhl will be working on Mondays, Wednesdays and Fridays at the Practice.

Finally, Dr Maddox, a locum GP, will be working at the practice over the summer and will support the existing GP team in the care of all our patients.

All our patients are allocated a named GP who is responsible for the co-ordination of all appropriate services that relate to their patients' care. We hope that you are able to see this GP when you require an appointment with the practice, however, you will still be able to book an appointment with any of our GPs. If you are uncertain as to who your named GP is, please do contact the practice.

In addition to the changes to the GP team, there will be a number of other new faces at the practice over the coming month as we welcome two new reception team members and a new Health Care Assistant to our nursing team. We hope you will join us in welcoming these new team members, and help them to settle in to the practice.

## BOTTOM LANE

We wanted to let as many villagers as possible know that we are having work done on our drive. The work is due to start on Monday 7<sup>th</sup> September and will last several days. We will, of course, try and keep the disruption to a minimum but it will inevitably mean that Bottom Lane might be a bit busy during this time. Our apologies in advance for any inconvenience.
