Marlborough Medical Practice Patient Participation Group (PPG) Update

Did you know...

All patients registered with the Marlborough Medical Practice are allocated a Named GP. This GP is responsible for the co-ordination of all appropriate services that relate to the care and support that our surgery provides to them.

We hope that you are able to see this GP when you require an appointment with the practice. However, you will be able to book an appointment with any of our GPs.

It is now a national initiative that patients are allocated a Named GP and are informed of who this is. Therefore, if you do not know who your named GP is our reception team will be happy to provide you with this information.

Please do contact the practice after 11 am on weekdays on 01672 512187, or drop in and ask.
